

FIRST GRADE NEWS

-JANUARY 2017-

Reading

First grade readers have important jobs to do. They will become the boss of their own reading. They will monitor their reading and take action when they encounter problems.

Math

First grade mathematicians will be adding a single digit number to a 2 digit number.

Writing

First grade writers will be writing book reviews and judging collections.

Science

First grade scientists will make observations to construct an evidence-based account that objects can be seen only when illuminated.
